2. Duration of the Course

The duration of the course shall be of one year comprising of two semesters from October to March and April to September.

3. Need of Diploma Course in Yoga Science (D.Y.Sc.) for Graduates

Yoga has attracted the attention of all sections of the society in recent years. The awareness about Yoga practices is increasing amongst people from different walks of life not only for preservation and promotion of health, but also for prevention and management of diseases. Keeping in view the time-tested benefits of Yoga, it is felt that Yoga education should be imparted by adhering to classical knowledge so that people trained in Yoga can derive maximum benefits.

Many Yogic principles and techniques are now being applied in health care system. It has been found that there is a lack of sufficient qualified and well-trained Yoga teachers/professionals and researchers in the field of Yoga. Morarji Desai National Institute of Yoga is being an eminent Institution in the field of Yoga in the country to provide and promote facilities for Training, Teaching and Research to fulfill the aspirations and demands of the people. There is an absolute need of well-trained Yoga Teachers to meet these objectives. Therefore, the Institute proposes Diploma in Yoga Science (D.Y.Sc.) for Graduates with the following objectives:

- a) To prepare well trained Yoga Instructors.
